PRESIDENT'S MESSAGE

The next few months are undoubtedly the most important in the AHS calendar. I shall make an earnest appeal to every member to do everything possible to make our organization stronger and evermore appealing to many more people.

Our annual meeting at the Landmark Hotel on Lido Beach promises to be a real humdinger. This is a chance to have a fine short vacation with good friends and attend to the business of our organization at the same time. Don't miss this opportunity for fellowship and fun.

I am looking forward to the shows that are being planned. It is my opinion that each of the past several years have shown improvement in the quality and beauty of the shows and there is every reason to believe that this year will be subject to the same improvement.

As I talk with people about the shows I find them desirous of every possible betterment in methods and attractiveness.

Show time is a great opportunity for new members to become active in one or more of the various committees and share the pleasures that are sure to be found if we plan well.

More than anything else I enjoy the opportunity to associate with the fine people of our organization. They are a great group and I am expecting great things from them.

Ralph H. Philo
